

ACADEMY OF FILMMAKING & ANIMATION AT THE STADIUM IN WESTLAKE VILLAGE

Greetings from the Camp Westlake Crew! We are proud to announce the launching of the brand new "Academy of Filmmaking & Animation" this summer at The Stadium in Westlake Village. In association with SC Films International,, these exciting new programs offer students a "Hands On" experience in all aspects of filmmaking, animation, special effects and much more! Experience your imagination at Camp Westlake this summer!

THE STADIUM - CAMP WESTLAKE

31293 Via Colinas,

DO YOU HAVE AN ASPIRING YOUNG ACTOR OR FILMMAKER AT HOME?

For summer camp information at The Stadium, visit our website at:
www.campwestlake.com

LEGO ANIMATION COURSES

Create, storyboard, and animate your own Lego themed short films using the art of stop-motion animation. Students will operate iPods, record voice-overs and create their own animated short film!

CLAY ANIMATION

Join this exciting camp where students will storyboard their idea, then design, create and animate their own clay character. Students will operate iPods & provide the voice-overs for the clay characters in their animated movies.

LIVE ACTION & ACTING WORKSHOPS

Create write and storyboard an idea for a live action sequence. Experience the the thrill of acting for the camera and filmmaking from the first call of "Action!" to "That's a wrap!" Be a part of movie magic!

HOLLYWOOD SPECIAL EFFECTS

In this exciting camp, students will learn all about "Movie Magic" and how to create Hollywood special effects right in your camera phone or iPod. Special effects used include: Forced Perspective, "Green Screen" technology, CGI & more!

VOICE-OVER WORKSHOP

Do you have a funny or serious character voice that you would like to record? Learn the art of the voice-over in this camp where students will study the subtleties of pairing their voice with an on-screen character!

PROPS & COSTUME MAKING

Helmets, masks, armor, just to name a few of the costumes and props you will create in this awesome camp. Learn the subtle process of turning ordinary craft supplies into shiny metal surfaces, worn-out leather, or rusted copper.

**All Student projects will be edited and made available for download online!*
